Waves Website

WE DID IT!!!!!!!!!!

It is with great privilege and honor that I can announce that the School Board has agreed with our request to name the softball field at Tucker High School after Coach McGuire. We came before the school board this past Thursday to have the official request heard and the unanimous approval be given. This is definitely a result of the outpouring of support from each of you and a testament to Coach Pat.

I will pass along the date of the naming ceremony as soon as I can.

Thank you all so much for your support!!

14U ACTION SHOTS

And We are off to a great start for the 14u team who played in their first tournament this weekend. So very glad to see these girls back on the field and performing at their highest level.
